## Look at what we learned this week!

Rainbow, rainbow in the sky I see something (color word) nearby! This was a popular chant this week as we reviewed our colors by learning about rainbows.

We stamped our own rainbows, played a new

shamrock game that helped us identify colors and we also played the highly requested color game!

This week we welcomed a new classmate into our room, Charlie Bear Mathis. He is a fish for those of

you wondering ;) We love to watch him swim around in his tank and eat. He seems to hide from us a lot. We thought he had jumped out of the tank at one point because he is really good at playing hide and go seek!
