

Preschool News

Look at what we are up to...

Pete the Cat is a huge hit in our room right now. The students should be able to re-tell the story to you with very little guidance. This would be an excellent book to order from Scholastic! Throughout the week we made a Pete the Cat snack, played Pete the Cat color bingo and read some of the new

Pete the Cat books! Our letter this week was Ff. Your child completed a letter Ff book during school. This is a book they could read to you with just a little guidance!

Library News

We started library this week with Mrs. Mathews. Each week on Wednesdays we will be going to the library where Mrs. Mathews will read books to us, teach us library skills or show us videos. This year instead of doing book bags we are planning to try just having the students check out one book each week. The books are to be returned the following week before getting a new book. If you are interested in having a book bag instead of the one book please let me know and we can arrange that.

Show & Tell

Show and Tell will start next Wednesday. Each Wednesday for the remainder of the year your child may bring an item from home that fits in their backpack for Show & Tell. These items should relate to our theme of the week and/or start with the letter of the week. Please discuss with your child why their item applies to the theme or letter .

Helping Others

We will be collecting pennies for the Pennies for the Hungry program. Each class is participating in this through the month of September. This is a great opportunity to discuss the importance of giving to those in need with your child. The class with the most pennies at the end of the month will be supplied a pizza party by Pizza Hut. There is a bucket for each of the preschool classes in our room by the door.
