Look at what we are up to...

This week we learned about pumpkins and the letters Pp. We spent time exploring pumpkins using our five senses. Feeling the 'guts' inside of the pumpkin was one of our most memorable moments. The morning class worked on their names this week by creating a pumpkin puzzle out of their name. The afternoon class completed a foldable pumpkin project that showcased our scissor, coloring and name recognition skills along with following directions. It was a long project but we shared a lot of conversations and memories completing it. On Thursday we made our very own pumpkin pie in a cup. We had to show how well we could follow directions and identify which five senses we were using throughout the process. They were delicious!!

Special Notes

- ◆ We are in need of: Empty parmesan cheese containers & magazines
- ◆ Library books are due back every Wednesday
- ◆ Show & Tell is Wednesdays
- ◆ Oct. 30th—trick or treating downtown & nursing home.

Halloween

We will hopefully be trick or treating downtown and at the nursing home on Thursday, October 30th. Your child is encouraged to wear a costume and bring a bag to put candy in. I will have extra Walmart sacks in case someone forgets.

I would like to make a Halloween snack mix with the students during the day and have every child bring an item for the mix. I have included a list of the items we are in need of for the mix. You child may bring their item to school anytime next week. Thank you for your help!
