SUPERINTENDENT CONTRACT AND CONTRACT NONRENEWAL

It shall be the responsibility of the board to provide the contract for the position of superintendent. The length of the contract for employment between the superintendent and the board shall be determined by the board, but shall not exceed three years. The contract will begin on July 1 and end on June 30. The contract shall state the terms of employment.

Before the board approves a proposed contract for superintendent services, or any proposed amendment to an existing contract, the board shall publish a copy of the contract or amendment, and a reasonable estimate and description of all current and future costs to the district if the proposed contract or amendment were to be approved, at least three days before the board meeting at which it will be considered. This publication shall also specify the date, time, and place of this public meeting. Electronic publication on the web site of the district shall satisfy this publication requirement if it is prominently displayed and allows public access to the entire proposed contract or amendment.

After the board approves the contract or contract amendments the board shall publish a copy of the contract, and a reasonable estimate and description of all current and future costs to the district that will be incurred as a result of the contract, within two days after the board meeting at which it was approved. Electronic publication on the web site must be prominently displayed as described above.

After approval of the contract or contract amendments, the board shall file a copy of the contract or amendments with the State Department of Education on or before August 1.

The superintendent serves the board as a probationary certificated employee, regardless of length of service. The superintendent's contract shall be deemed renewed and will remain in full force unless it is amended or not renewed. The superintendent and board may mutually agree to terminate the superintendent's contract at any time.

In the event of nonrenewal, termination or amendment of a contract, the board shall afford the superintendent appropriate due process, including notice of its intent by April 15. Unless continued by mutual written agreement according to statutory procedures, the board shall take final action on the contract by May 15.

If the superintendent wishes to resign, to be released from a contract, or to retire, the superintendent must comply with board policies dealing with retirement, release or resignation.

SUPERINTENDENT EVALUATION

The Hay Springs Board of Education will conduct an ongoing evaluation of the superintendent's skills, abilities, and competence. At a minimum, the board will formally evaluate the superintendent twice in the first year and annually thereafter. The goal of the superintendent's formal evaluation is to ensure the education program for the students is carried out, promote growth in effective administrative leadership, clarify the superintendent's role, clarify the immediate priorities of the board, and develop a working relationship between the board and the superintendent.

SUPERINTENDENT CONSULTING/OUTSIDE EMPLOYMENT

The superintendent's position is considered full-time employment. The board expects the superintendent to give the responsibilities of the position precedence over other employment. The superintendent may accept consulting or outside employment for pay as long as, in the judgment of the board, the work is conducted on the superintendent's personal time and it does not interfere with the performance of the superintendent's duties.

The board reserves the right, however, to request that the superintendent cease the outside employment as a condition of continued employment. The board shall give the superintendent thirty days notice to cease outside employment.

Nothing in this policy shall contradict the language of the superintendent contract in force.

HANDBOOKS AND DIRECTIVES

In order that the necessary board policies, regulations, school rules and procedures may be known by all staff members, patrons, students and parents affected, district administrators and principals are granted authority to issue staff and student/parent handbooks.

It is essential that the contents of all handbooks conform with district policies and regulations. It is also important that all handbooks bearing the name of the district or one of its schools be of a quality that reflects favorably on the district. The board, therefore, expects all handbooks to be approved by the board and/or superintendent or designee before publication.

The board will review and approve district personnel handbooks in order that the contents may be accorded the legal status of board-approved policy and regulation. The superintendent will use his/her judgment as to whether other specific handbooks need board approval. However, all handbooks published are to be made available to the board for informational purposes.
