## Mrs. Heiting's Classroom Newsletter

### News for 9/24-9/27

I hope all of your children came home excited about the letter "A" last week! We sure had fun integrating the letter A and Apples into our studies and projects! Our hallway is decorated with our amazing apple banners that we made using real apples.

Mrs. Ray and I were especially impressed with the creativity for show-and-tell. We even learned some new things ourselves! Thanks for your participation and cooperation in making sure your child has something relevant to our weekly theme. I know it's not always easy, so I do appreciate

Our theme this week is Autumn! What a great way to continue our study of the letter "A" this week.

the effort! 😊

As the weather becomes increasingly chilly in the morning, I also appreciate you sending jackets/sweatshirts. We do go to recess in the morning and the wind can still be quite chilly out on the playground!

### Song Of The Week

(Tune of "Twinkle, Twinkle, Little Star")

Orange and yellow, red and brown,  
All the leaves are falling down.  
Falling softly as they do,  
Over me and over you.  
Orange and yellow, red and brown,  
All the leaves have fallen down!

We sing many songs throughout the week, but usually have one song that we repeat often. This is the song we will work on this week!

### If your child goes to Pioneer Manor Daycare...

As most of you are aware, at this time either Mrs. Ray or myself will walk to children part way to daycare. One of the daycare employees then meets us part way to walk the students to daycare.

PLEASE let the office or one of us know if your child should NOT go to daycare. If we do not hear from you we will assume they are to go to daycare with the rest of the children. We are trying to be accommodating and make this an easy transition for everyone. We appreciate your cooperation on keeping us informed! As always we have your child's best interest at heart and want to make sure we get everyone where they need to be!
