

# Preschool News

## Look at what we learned this week!

This week in preschool we focused on the letters Ss. We also concentrated on learning features of a book such as, locating the title and discussing what it means to be an author and illustrator. Ms. Wiepen even let us read from the BIG books! We were so excited.

This week there has also been some exciting things happening around school. The

boys got a chance to play in the second round of football play-offs and the girls started their sub district games. GO HAWKS!!! We attended the pep rally and participated in the school song and some cheers! Ms. Wiepen is really proud of how well we behave and participate when we are at school functions.

Pennies for the Hungry has ended. They could hardly carry out pumpkin out of the room because it was so heavy. Although we did not win the pizza party we did come pretty close. We raised over \$69 in pennies from our class alone! It is so rewarding knowing that our spare change was able to help MANY people get a meal. Thank you to everyone who helped their child bring in pennies for this amazing cause.
