

Preschool News

Look at what we are up to...

Stop, Drop and Roll! This week was filled with learning about fire safety and places in our community. We played musical stop, drop and roll, reviewed the fire drill procedure at school and created some art all about fire safety. The afternoon class received a visit from firefighters Matt and Everett. They demonstrated the proper ways to stop, drop and roll, how to crawl out of a building in a fire and what to do if we are the ones making the 911 call. Firefighters Matt and Everett even let us try on their turnout gear and they took us on a ride around the block in their fire truck! Review your families fire safety plan with your child so that they know what to do in case there is a fire in your home. We also went on a community walk and mailed our pen pal letters at the post office and bought cookies at the grocery store!

Homecoming Week

Hay Springs will be celebrating Homecoming the week of October 13th. The afternoon class will be attending coronation on Monday and the Pep Rally downtown on Thursday. Your child is encouraged to participate in the dress up days to show their school pride.

Monday-Twin Day—dress like someone's twin

Tuesday-Class Color Day-black/white or zebra

Wednesday-America Day-dress patriotically

Thursday-Hat & Jersey Day

Students will be dismissed following the pep rally on Thursday. Students should be picked up around 3pm from school on Thursday.

Thank You!

The preschool class would like to thank firefighters Matt Anderson and Everett Langford for teaching us about fire safety this week. We really enjoyed the fire truck ride and trying on your gear. Also thank you to all of our local firefighters for all of your hard work, time, and dedication to keeping our community safe! Thank you!

October 9th, 2014

Ms. Wiepen
