## Superintendent's Welcome

Welcome BACK!!! On behalf of the Hay Springs Board of Education and Staff of Hay Springs Public Schools I would like to welcome everyone to the 2016-2017 school year! August is one of the most exciting times of the entire calendar year. The excitement of something "New." A new school year, new grades, new classroom, new teachers, new classmates, new schedules, new coaches, new routines, and new beginnings. On August 15<sup>th</sup>, 2016 our students, parents, teachers, and community will get to start a new chapter within our school. I challenge everyone to make this the best school year ever! What will history say about the 2016-2017 School Year? Listed below and throughout the newsletter are some important things to know about the upcoming school year.

### New Staff Members:

This year we welcome 2 new staff members to our Hay Springs Family.

- \*Jessica Sherlock – Early Childhood Teacher
- \*Nichole Sherburne – Elementary Title/ML Math and Science

### Newsletter/Information:

One of the district goals is to improve in communication and getting the news of the district out to everyone in the community. Below are several ways to be informed of the great things we are doing at Hay Springs Public Schools!

\*Hay Springs Public Schools will continue to have a monthly newsletter at the beginning of each month. The newsletter will be available on our district website [www.hshawks.com](http://www.hshawks.com) or patrons can pick up a copy of the newsletter at the Post Office, Sackers, or the Nursing Home.

\*Keep up-to-date on events and current information by following us on Twitter at @HSPublicSchool. Use the #hayspringshawks when tweeting about the school.

\*Remind 101 is a great way to get text sent straight to your cell phone. Text will include school information such as school closings and information on activities. Stop in the office to pick up more information if needed.

\*The district website [www.hshawks.com](http://www.hshawks.com) is a great resource to use to find all the information about the school district. The website includes a lunch calendar, athletic calendar, district policy, student handbooks, coach's handbook, staff information, upcoming events, and much much more.

### Student Handbook Changes:

The student handbook for the 2016-2017 school year has been updated and is available to view on the district website. If you would like a hard copy of the handbook please stop by the school office to request a copy.

Parents please take time to go over the handbook with your child/children prior to the first day of school.

### First Day of School:

The first day of school for K-12 students will be August 15<sup>th</sup>. All students will be dismissed at 12:00. No lunches will be served. Preschool first day of school will be August 16<sup>th</sup>. Kindergarten through 5<sup>th</sup> grade school hours for the year will be 8:00-4:00. Middle School and High School Students will be 8:00-4:15.

### Learning:

Hay Springs Public Schools has established

*(Continued on page 2)*

*(Continued from page 1)*

a tradition of focusing on student learning. With the help of the parents, community members, teachers, students and staff this amazing tradition will continue and Hay Springs will reach new heights. Our students will continue to work hard, we will provide students assistance and remediation when needed, and we have an outstanding teaching and support staff.

In order to learn at the highest level all students need to be in school every school day, providing the best possibility for them achieve at their greatest potential. Hay Springs Public Schools is fortunate to be able to operate on a four-day school week, therefore; we ask parents to schedule doctor appointments, trips, and other activities on Friday when there is no school.

## Ransomware

By Larel Reimann

Ransomware, a type of malware that hackers use to block you from accessing your files, is a big and growing problem. Ransomware encrypts your files and the hackers then demand money in exchange for decrypting your files so you can access them again. If the money is paid you may or may not have your files returned. Computers running Windows are most likely to be infected although there have been a few documented cases on Macs. Prevention, across all platforms, is by far the best measure.

Ransomware does not "just happen". It gains access to your computer through most of the same channels viruses have been using for years and can be prevented using the same guidelines. Many infections come as email messages that attempt to sound familiar or beneficial, when in fact they contain links that when clicked infect your computer. Never open an email that comes from someone you don't know or from a party that you don't have legitimate business with. If opened by accident do not follow any unknown links or try to open any attachments. Malicious links can also be found in advertisements on websites, so please refrain from clicking on them.

Software updates should be kept as current as possible and antivirus software might offer some protection.

However in the case of an infection damage will be limited if all important files are backed up to external storage such as a USB stick. Back up your really important files to a USB stick!

## Special Lunch Dates

## Ineligibility

The ineligible list will be run weekly (generally Monday morning). Students will remain on the list until the next list is run. Grades need to be posted by 12:00 a.m. (midnight) or they may not be included when the list is run. Ineligibility list will be run between midnight and 9:00 a.m. No student will be removed from the list without the administrator approval.

To be ineligible students may have any of the following or a combination thereof:: 2 D's or 1 F

If you are on the ineligible list, you will not be allowed to participate in extracurricular activities/events for the week and will not be allowed hall pass privileges. Students will also be required to attend Friday School.

Students who end the quarter or semester with an F will automatically be in Friday school until the next list is run.

## Friday School

Most school districts operate on a 5-day school week, with classes running from Monday through Friday. Our district currently operates on a 4-day school week, with classes typically running from Monday through Thursday. Some students are in need of additional assistance, so Hay Springs Public Schools has decided to staff and host school on Fridays in an effort to assist students who need additional help, instruction, or support.

Any student's building administrator may require the student to attend school on Friday morning from 8:00 AM to 12:00 PM in a classroom staffed by employees of the district. Students directed to attend school on Friday will be students who, in the opinion of the administrators and teachers, (1) need additional assistance of any kind, (2) have failing grades, and/or (3) have missing assignments.

Friday school days are intended to be a learning and study time for students just like any other school day. Friday school is not a disciplinary consequence. Rather it is intended to help students who are in need of assistance. Students asked to attend Friday school as a result of or in conjunction with disciplinary action are asked to do so because they meet one of the criteria listed above and not as a part of the disciplinary consequence.

During Friday school, all of the regular policies, rules, handbooks, and codes of conduct apply, including the district's mandatory attendance policies. Failure to attend school on Friday when directed to do so by the building administrator will be counted as an absence pursuant to the district policy. Absences from Friday school must be approved in the same manner as absences from any other school day, and the district's policy governing "excused" and "unexcused" absences will apply.

Hay Springs Public Schools will not provide transportation to and from Friday school. In the event any student is entitled to transportation services by the state or federal law, transportation services will be provided as required by law.

The following rules apply:

1. No food (except snack provided) or drink (other than water) is allowed.
2. No cell phones or other personal electronic devices, including head phones.
3. No talking or disrupting others.
4. If kicked out of Friday School, the student is required to bring a parent to meet with Administration prior to reentering school.
5. Not attending Friday School will result in a parental meeting. Students will not be allowed back to school until a parent can meet with administration.
6. All teachers who have students that attend mandatory Friday School will provide the student with make-up and homework assignments.
7. Attendance will be sent to the Friday School coordinator.

## Guidelines for Administering Medication

Whenever possible your child should be provided medications by you outside of school hours. All medication (unless approved by the Administration) is to be kept in the school office and is to be administered by assigned school personnel. In order for school personnel to give medication to your child at school, the medication must be in the original labeled container, which has the student's name, licensed health care provider's name, medication name, and instructions on it. Ask your pharmacist for a second labeled bottle if necessary. The parent will need to fill out and sign a permission slip available at the office. This form will include the directions on dosage and time. This is important to enable the school to safely administer medication to your child. **DO NOT SEND MEDICINE THAT IS NOT LABELED OR IS NOT IN THE ORIGINAL CONTAINER.**

Over the counter medication such as Tylenol, cough drops, cough syrup, etc. will only be given with written permission from the parent. Medication must be provided by the parent, the school will not provide any form of medication. This permission must be renewed with each incident. If Tylenol or other over the counter medications are needed for more than two weeks, an examination by a licensed health care provider is recommended to be sure there is no serious illness present.

The Hay Springs Board of education recognizes that many students are able to attend school because of the effective use of medication for the treatment of illness and/or disabilities.

If at all possible, all prescription medications should be given at home outside of school hours. NO over the counter medicines will be given in the elementary schools; this includes acetaminophen, Tylenol, and cough medicine. Non-prescriptive medication may be used at the Middle School and High School. Medication must be provided by the parent.

The Board of Education further recognizes that some medication regimes necessitate the administering of medication during school hours; therefore, requiring a safe and effective means of administering the medication.

When medication is required during school hours the following will apply:

1. Written orders from a health care provider are required and must include the name of the drug, dosage, and time interval medication is to be taken. It must be in the original prescription bottle.
2. The parent must request, in writing, that the school district comply with the health care provider's order.
3. Medication must be brought to the school, by a parent, in a container appropriately labeled by the pharmacy or health care provider.
4. The first dose should be administered by the parent; this provides an opportunity to discuss the medication, its side effects, and benefits.
5. The school will inform the medication provider and others who need to know of the potential benefits and side effects of the drug being administered.
6. A locked cabinet must be provided for the storage of medication.
7. Only one month's supply of medication will be received and stored at a time.

## Hay Springs Caf 'teria is more than just Lunch... Hay Springs School Food Program has lots to offer our Staff and Students.

**Breakfast is served each school day 7:30 – 7:55 a.m.:** Everyday students have a choice of cold cereals, breakfast bars, muffins, yogurt, string cheese, fresh and canned fruit, milk and Juice. But that is not all! A hot breakfast choice is also offered. The hot breakfast choice could be: biscuits n gravy, pancakes, breakfast pizza, breakfast burritos, omelets and more. Breakfast cost is \$1.50 and seconds are .60. Breakfast is complete when your student chooses two items from the main line, milk, and ½ cup of fruit or juice. **Students must have ½ cup of fruit or juice in order for their meal to be complete. If your student doesn't have a complete breakfast each food item will be charged at 60 cents and juice and milk at 40 cents.**

**Breakfast to go!** Middle School and High School students can pick up their breakfasts for consumption out of the cafeteria. This is a privilege that can be revoked if food items and trash is not handled appropriately.

### Example of a complete Breakfast meal:

**Cereal Bowl, Sausage, Milk, and ½ Cup Juice or Fruit.**  
**Sausage Biscuit with Cheese sandwich, Milk and ½ Cup Fruit or Juice.**  
**Biscuit N Gravy, Milk and ½ cup fruit or juice.**  
**Cereal, single pop tart, milk, ½ cup fruit or juice.**  
**Yogurt, cheese stick, milk, ½ cup fruit or juice**

**Lunch is full of choices:** Lunch is served at 11:30 a.m. and 12:30 p.m. This year I am adding a Pizza Station. Each Day our Students can choose either the hot meal, PBJ, Box Meal or a slice of Pizza. That is 4 choices for main meal. Hopefully students will always find something good to eat at the Hay Springs Caf 'teria. Each day as always students can choose from 3 flavors of milk and 3 flavors of juice. Fruit and Veggie bar is available each school day. **It is required that Student have at least ½ cup of fruit/fruit juice/or veggie for a complete meal.** Lunch costs: 2.75 for Elementary, PK. 3.25 for MS/HS. Adults: \$3.50 Seconds : \$1.00 for main meal, .50 for bread/desserts, .40 for milk or juice.

### Example of complete Lunch:

**Burrito, Cheesy Green Beans, Milk or Juice, Watermelon, tomatoes**  
**Tator Tot Casserole, roll w/butter, milk or Juice, cantaloupe, watermelon.**  
**PBJ, Cookie, milk or Juice, Watermelon, salad.**

### After School Snack Sales: Caf 'teria opens at 4:00 -4:30 p.m.

This is a great way for everyone to refuel their bodies before afterschool activities. Smart Snacks are available along with a variety of drinks, leftovers from lunch, fruits. Items are priced at either \$1.00 or .50 cents. Items can be purchased with cash or charged to the family lunch account. Parents need to discuss how much if any your child is allowed to charge to the family food service account.

**It is encouraged to have every family complete the free and reduced meals application.**

## BackPack Program

By Mrs. Marx

Hay Springs Public Schools is partnering with the Good Neighbor Center again this year to provide the Backpack program to our students. Each week a sack of food/snacks will be sent home with students participating in the program. If you would like to make a donation to help with the program or if you would like your child to participate in the program please contact Mrs. Marx at the school.

## Exciting News From Hay Springs Schools

### Hay Springs Schools Has Made A System Change That Impacts Your Student(s)

You are receiving this communication because the district is offering an online service to help you better manage your child's school meal account. You now have the ability to check your child's school meal account balance online, as well as make payments with your credit/debit card.

In addition to helping the school take advantage of the latest technology, this service is a great convenience to you. By utilizing [www.EZSchoolPay.com](http://www.EZSchoolPay.com), you will not have to wonder if the check you wrote for meals actually made it to school and your children will be assured that meals will continue uninterrupted.

#### Features and Options:

- Send payments faster and directly into your child's meal accounts: Payments are credited within 10 minutes.
- Mobile applications: EZSchoolPay is available from your device's app store and are available for iPhone, iPad, and Android devices. Receive alerts of low balances, make payments for your child's meal account, and purchase items from the school store.
- Low Balances: Receive alerts when your child's balance drops below a certain balance.
- **\*\* Regarding shared accounts: The shared price will be the same amount per student, this does not mean that you will need to pay that amount twice. Example, The John and Jane Doe family's account says John's account owes \$12.75 and Jane's account says she owes \$12.75 this means the family owes \$12.75 not each student. \*\***

If you would like to take advantage of any of the features mentioned above, you must create an online account with [www.EZSchoolPay.com](http://www.EZSchoolPay.com). Getting started is easy! Visit [www.EZSchoolPay.com](http://www.EZSchoolPay.com). The website will guide you to create an account and link your student (s) to the account before entering a credit/payment.

Hay Springs Schools will no longer be sending out monthly bills instead when your account gets to low you will receive a notification letter. Please make sure your account does not get into the negative balance, to stay in the positive you will need to pay ahead. We will still accept payments to be dropped off at the school office if that is what you prefer.

Hay Springs Schools Food and Nutrition Services department strives to provide a balanced nutritional program for all students, and to provide support and options for parents. If you have any questions, please feel free to contact the Food and Nutrition Services department directly at 308-638-4434.
