_____ Chadron (Class will be held at Chadron High School)

Classes: Monday, May 22, 2017 through Friday, May 26, 2017 (8:00 a.m. to 12:00 p.m.)

On-Street Driving: Arranged at the mutual convenience of the students and instructor and could take up to two weeks to complete.

To register for the course, complete this registration form, and return it to the Nebraska Safety Center with payment. If you prefer, you may register online by visiting our website at: www.unk.edu/dred. Also listed on our website are other available classes.

All payments must be sent to the Nebraska Safety Center office. We accept MasterCard, Visa, personal checks or money orders. If you pay by check or money order, please make payment to "Nebraska Safety Center at UNK". The instructor will NOT accept any form of payment. Payment plans require a \$115 deposit prior to enrollment and payment in full prior to the end of class. DMV waiver will not be issued without full payment.

Classes are limited to a maximum of 24 students. Enrollment will be on a first-come, first-served basis. **Each student is required by the Nebraska DMV to have a valid permit in order to enroll in this course.**

If the driver education student is under 18 years of age at the time the course is completed, passing the course with his/her current permit results in a waiver of the written and drive tests at the Nebraska DMV's Driving Examination Office. If the student is 18, or older, he/she will receive a certificate, but must still take the written and drive tests at the DMV office.

This course conforms to the rules and regulations of the DMV and exceeds the criteria established for insurance discounts. Nebraska DMV regulations require that, "Students must attend all course presentations and pass all examinations". Therefore, any missed portion(s) of the course, for any reason, must be made up prior to the issuance of a waiver. Make up session(s) may include additional fees.

On-Street Drive times are scheduled with the instructor at mutually convenient times and could take up to two weeks to complete. Students will need to be available to drive during the week and/or on Saturdays. Each student is provided up to 2.5 (two and one-half) hours of On-Street driving time and 2.5 (two and one-half) hours of On-Street observation time. Students requiring more than 2.5 hours will be charged \$50 per hour. If a student schedules a time to drive and is not present for the lesson, that lesson will be rescheduled and the \$50 additional fee will be assessed.

If a student requires accommodations due to a documented disability, please contact the Nebraska Safety Center prior to the beginning of the course. Special arrangements can be made to accommodate these needs.

A postcard (and/or email) confirming the student's enrollment in the course will be sent initially followed by a more detailed letter shortly before class.
