Dear Santa,

Hi my name is Alaina Raymer and I'm from Hay springs, NE. I wish you and Mrs. Claus a merry Christmas. I hope you will like the cookies and milk we will make for you, I also hope the reindeer will like the carrots we will leave them. Speaking of reindeer how are they? Anyways I think I have been very good this year and I think my brothers have also been very good too. I hope they have a good Christmas as well as me, if you could give that to me as a gift.

Speaking of gifts I don't really want anything for Christmas but to just have a fun Christmas but one thing I kind of want is a cake pop maker, other than that though I really don't want anything. My brothers all want one thing too, I won't say those but I really want them to have a good Christmas, If you can grant my wish. Well Santa that is all I have to say to you for now I hope you have a great Christmas, bye!

From,

Alaina Raymer

Dear Santa,

How is Mrs. Clause, the reindeer, and the elves? I hope the cookies are really good in the North Pole because you may have trouble deciding what to get for my brother. **For my brother** I would like you to get him a motorized car with a remote to control it. I know that he would love the car and will probably use it so much it will break.

I have a few ideas for what I want for Christmas, but not very many. You can choose as you always have what I get. Here are the ideas I have.

- I would like a camera so I can save my favorite family memories easier.
- I would also like a drone so I can have drone races with my dad.
- Another thing I would like is a Breyer.
- I would like a nice pair of fuzzy socks and warm pajamas.

Those are the only ideas I have for Christmas so you may choose other presents for me.

Remember Always,
Anastasia

If you get me all of this stuff I will make my Heath Bar cookies, even if you don't I will still make them for you.

Dear Santa,

How are you? I hope that the reindeer are doing all right. I am not trying to rush and get my Christmas down on this page really fast, but I will like you to send me an Elf on the Shelf.

For Christmas, I will like a Hover board / Go-Kart combo, an XBOX ONEX, and a laptop. If I want anything else, I will let you know. I do have a Christmas list and letter for you to read. And if you go and see the reindeer tonight, tell all the reindeer/ especially Rudolph/ to have a Merry Christmas and I am very excited for you all to come to my house and prance on my roof in my sleep.

Dear Santa,

Hey, how are you? Is it cold in the North Pole during the summer? How are the reindeer, good I assume? Sorry for not introducing myself I'm Karsen Marie. Would you like anything for Christmas? Is it true that billboards add 80 pounds? Not to be rude. I just watched The Christmas Chronicles and it was so funny. I kind of wish that Kade and I went on adventures like that. Just a brother and sister doing all these fun things on Christmas Eve. Do you have any siblings?

For Christmas I would like my mom to have a gift because every year my mom doesn't get much. I would like her to get something for a change not me. I would also like a new book. That is all.

Sincerely,

Dear Santa,

Hi Santa! How is the weather up in the North Pole? It's probably pretty cold there. And guess what you're getting on Christmas night. That's right, cookies and milk. Unless we don't have time. If we don't, then my sister and I will make you cookies. And maybe my brother, he'll probably be playing his video games. He'll probably want video games for Christmas. And speaking of Christmas...

For Christmas I want Pokémon cards and football cards. AND NOT THE SUCKY KIND! I'm kidding, any cards will do. I don't want anything big this year. Like a huge trampoline, or a Ford pickup. What I'm really looking forward to is seeing my family and that delicious Christmas dinner. I hope you come over Christmas night and eat my sister's and my cookies.

From,

Tanner Tobiasson

Dear Santa,

How are you and the elves doing? I have one question. How old are you? I am nine years old. But I consider me as ten years old.

All I want for Christmas is for my loved ones in heaven to know how much I love and miss them.

Love,
Tripp
