**RE: Commissioner's Message Regarding Graduation Ceremony Guidance and
Interpretation**

There have been numerous requests to address and provide guidance on local graduation ceremonies and celebrations for the high school Class of 2020. Although both the Governor and I have spoken on this topic, and reiterated in the Governor's press conference today, there are many attempts to appropriately recognize graduating seniors. The Governor and I have advised that any in-person graduation ceremony or recognition be scheduled in late summer (July or August) and only with the approval of local health officials. Some schools with less than ten seniors have found ways to host ceremonies and comply with social distancing guidelines and Directed Health Measures. Those scenarios will not be possible for the majority of schools. However, several school districts have sought to create a virtual graduation or recognition that is permissible *if* it does not violate the requirements set forth in the Directed Health Measure Order 2020-010.

The current and statewide Directed Health Measure (DHM) Order 2020-010 addresses both "gatherings" and "school activities" and the following are excerpts from that DHM Order.

Gatherings

1. Gatherings are hereby prohibited;
A gathering is defined as any event or convening that brings together more than ten (10) patrons, customers or other invitees, excluding staff, in a single room or single space at the same time, including but not limited to, pre-schools, daycare facility (including in-home facilities), gymnasium, fitness center, auditorium, stadium, arena, large event conference room, meeting hall, library, or any other confined indoor or outdoor space. This also includes weddings and funerals, as well as parades, fairs, festivals, concerts, auto racing and other indoor and outdoor events.

Related to Schools:

1. All schools; public, private and parochial: are hereby ordered to cease all in person instruction, and all extra-curricular activities except for: remote learning, child care services, meal distribution, distribution of educational materials and supplies, general building or physical plant operations and maintenance, and residential services may be continued as needed or necessary
2. Schools are defined as public, private, and parochial elementary and secondary schools

Six Rules:

The Governor has also emphasized six rules to keep Nebraska healthy:

1. Stay home. No non-essential errands and no social gatherings. Respect the ten-person limit.
2. Socially distance your work. Work from home or use the six-foot rule as much as possible in the workplace.
3. Shop alone and only shop once a week. Do not take family with you.
4. Help kids follow social distancing. Play at home. No group sports. And no playgrounds.
5. Help [senior citizens] stay at home by shopping for them. Do not visit long-term care facilities.
6. Exercise daily at home or with an appropriately socially-distanced activity.

Local Public Health Officials Consensus View:

Yesterday, I met with local public health officials from across the state to discuss the issue in some depth. Although I have recommended that school officials work with local public health officials, it has become clear that our officials are far too busy to address each and every creative idea presented. In turn, I asked that public health officials present a consensus view so I could better advise and guide school and community leaders. There were several concerns discussed that included breaking the spirit of the DHM by creating quasi-public events that may provide a false sense of security about public health and undermine the spirit of the Directed Health Measures and the Six Rules to Keep Nebraska Healthy in this moment.

Commissioner's Interpretation and Guidance for Graduation for the Class of 2020:

As such I make the following recommendation to school officials that is supported by Nebraska's public health officials:

- The limits on gatherings apply to all types of graduation ceremonies.
- Graduation ceremonies are interpreted to be "extra-curricular activities" per the DHM and are ordered to cease.
- Graduation recognitions are recommended to be done remotely by virtual means and avoid convening small groups or other efforts that attempt to undermine the intent of the order.

- All in person graduation ceremonies and celebrations must meet the statewide Directed Health Measure Order 2020-010 or should be postponed until such a time that the statewide order is lifted and that subsequent orders would clearly permit such gatherings.
- Efforts to dismiss or subvert the Directed Health Measure may be considered a violation of school accreditation or approval rules related to health and safety and may be considered a violation of the ethical standards for certificated school officials.

Although I join you in the critical need to recognize students and families who have much to celebrate, I also ask you to join me in celebrating in fashions and in times that better allow Nebraskans to Stay Home and Keep Healthy.

Matthew L. Blomstedt, Ph.D.

Commissioner of Education

Guidance for Panhandle Graduations

As of 4/12/2020 subject to change

COVID-19 Unified Command
A PARTNERSHIP

Safest Recommendation

- Traditional Graduation in August, pending restrictions are lifted.
- Video Graduation

Ideas for smaller schools to do something sooner, larger schools have additional challenges due to class size.

- Streaming encouraged
- If plan includes cars; only one car per graduate
 - Only family members that live together
 - Cars park at least 6 feet apart
 - Only one graduate out of a car at a time to pick of their diploma, or to speak
 - No passing out programs or anything – send out in advance electronically
 - No public restrooms available

Compile a video (any size school)

- Prerecord
 - Videos set to music
 - Valedictorian and Salutatorian speeches
 - Announcement of awards, scholarships, and accomplishments,
 - Speech to graduates
 - Pictures of seniors in caps and grounds
- Everyone views from their homes.

Football field idea (smaller schools)

- Line cars around the football field
 - One car per graduate
- Diplomas on tables center field
 - Graduates are announced and picked up one by one
- Speeches done one by one from a microphone on a stand center field – no one touches mic
- Minimal Staff
 - 1 announcer in the crows nest
 - 1 person at a distance to stream
 - 1 photographer at a distance

Drive-in Movie/Church Idea

- Big screen
 - One car per graduate
- Diplomas on tables out
 - Graduates are announced and picked up one by one
- You stay in your car with your own family members
- Minimal Staff

Ideas that are prohibited by the current Directed Health Measure (Directed Health Measure is enforceable by law and is a health risk)

- Parades
- Ceremonies outside with people spread out – no event gatherings. Staying in vehicles drive in style has been allowed.
- Parents and students only in the gym practicing social distancing

Parents are going to really have to be strict about senior class parties – they just can't happen.
