

# Hay Springs Early Childhood Program Handbook

The Hay Springs Early Childhood Program believes a parent is a child's first teacher.

By supporting parents, the Hay Springs Early Childhood Program will allow children to learn in a play-oriented environment. Cognitive, physical, social and emotional development will be enhanced in a child based setting.

The Preschool, along with input from the families, will meet each child at his or her developmental level and provide activities to meet those individual needs.

## **Hay Springs Early Childhood Program Mission Statement:**

**We believe that all young children should have access to a quality early childhood program that will provide experiences to promote success at every level.**

## Admissions Procedures and Requirements

Any child who is not eligible to attend kindergarten (5 before July 31) will be eligible for preschool enrollment in the current school year. While enrollment is open to both 3 and 4 year olds, priority will be given to four year olds.

Students must be 3 prior to July 31 of the current year to attend.

If there is a waiting list for the Hay Springs Early Childhood Program, children who are attending another preschool program may be ineligible to attend the Hay Springs Early Childhood Program.

Parents need to complete an enrollment form which indicates an interest in the program. A student is **officially** enrolled in Hay Springs Early Childhood Program when an enrollment form **and** health forms are received.

Enrollment and Health forms include the following:

- Proof of immunizations
- Birth Certificate
- Free/Reduced lunch forms (if applicable)

Birth Certificate Requirements: Nebraska State law requires that a certified copy of a student's birth certificate or official verification of age be presented when enrolling a new student in our school. If your child is registering with Hay Springs Schools for the first time and you do not have a certified birth certificate, you may obtain one from the Bureau of Vital Statistics in the state in which your child was born. Assistance in obtaining Nebraska birth certificates may be obtained from Health Records Management, P.O. Box 95065, Lincoln, NE 68509-5065. There is a small fee per certificate.

If a birth certificate is unavailable, other official proof of a student's identity may be used. These documents *could* include naturalization or immigration documents showing date of birth or official hospital birth records, a passport, or a translation of a birth certificate from another country.

The documents must be accompanied by an affidavit signed by the parent and a Notary Public documenting the inability to produce a copy of the birth certificate.

A visit to the preschool for parents and their child can be arranged prior to the first day of attendance.

**Afternoon students may be dropped off beginning at 11:50 and should be picked up as close to 4:00 as possible.**

**Afternoon Arrival:** Students will wait on the benches at the office for the teacher to come and welcome them and lead them to the classroom at 12:00.

**Afternoon Departure:** Students will be picked up on the sidewalk between the Elementary School and Lister Sage buildings.

**Those students transitioning from Noah's Ark Preschool will walk up the hill using the playground gate and enter the building through the lunchroom doors.**

Early departure can be communicated the day of via phone call or in person. Please do **not** email on the day of an expected early departure as the teacher is not always able to check emails during the school day.

## Parent Information

**As a child's first and most important teacher, parents are a vital part to the success of HSECP. Parents are encouraged to participate in their child's education as fully as possible. Parents are always welcome to visit the preschool at any time.**

**Parent-Teacher Conferences** will be held twice a year to discuss each child's progress and development-generally in October and March. Parents may also request a meeting at any time to discuss their child's progress.

You may also schedule a Parent/Teacher conference at the end of the second recording period.

During these visits we will discuss your child's development. We will go over your child's growth report. Scores are given through observations and anecdotal notes taken throughout your child's day. The notes are of interactions and activities that your child takes part in each day, as well as dialogue. At each visit we will also discuss any concerns or issues you may have about your child or the preschool. You may set up extra conferences by emailing or speaking with your child's teacher or calling the school at (308) 638-4434. Frequent communication is best for your child's development.

**Home Visits:** A minimum of two home visits **in addition to** the Parent-Teacher conferences will be conducted during the school year-generally scheduled at the beginning and end of the school year.

**Parental Participation** opportunities include:

- Providing treats for special occasions such as birthdays, holidays, etc.

Short community walks may be taken without notification, but precautions are in place to make sure all children are safe.

## **Administering Medications**

Whenever possible, your child should be provided medications by you **outside** of school hours. If it is necessary for your child to take medications at school, you must provide a signed written consent for the child to be given the medication. There is an '**Authorization of Administration of Medication at School**' form available in the office.

Medication must be in the original container that is labeled by the pharmacy or the manufacturer with the same information written on the label as on the consent form. Prescription medicine requires a physician's signature for administration at school.

**If your child has a chronic medical condition such as asthma or any allergies that require medical attention such as an EpiPen, please talk with the teacher.**

## **Emergency Procedures**

In the event of an emergency, it is **absolutely** necessary for the school to be able to contact the parents of a child or someone who knows the child. **It is vital that telephone numbers and addresses be kept up-to-date at all times.** Please contact the school if there is a change in phone numbers or addresses. Emergency contact numbers will be required on enrollment papers.

## **Illness/Head Injury**

You will be required to pick your child up from school if they have a temperature of 100° or higher when taken by the school's thermometer or if they have episodes of vomiting or diarrhea while at school.

Your child will not be allowed to return to school until they have been fever free without medication for 24 hours.

You will be notified if your child has a head injury, and you will be asked to come to school to evaluate your child's condition.

## **IF YOUR CHILD:**

- **Has a fever, don't send him/her to school or activities. Children who are vomiting; have diarrhea, or a temperature of 100 degrees or greater must remain home and will be welcomed back after being symptom free (last episode of vomiting, diarrhea, fever) for 24 hours without medication.**

- **Has any condition, such as severe allergies, diabetes, epilepsy, asthma, urinary or bowel problems it should be reported to the office and teacher.**
- **Needs to take medication during the school day, please refer to the 'Administering Medication' policy on page 8 of the HSECP Handbook.**
- **If both parents work and no one is home during the day, please make arrangements for a place to send your child should he/she become ill during the school day.**

## **Absences**

If your child is unable to attend preschool, please contact the school at (308) 638-4434 before 8:30 a.m. The office will follow the school procedure of calling families if we haven't received prior contact concerning an absence.

## **Severe Weather Related School Closings**

**The Superintendent of Schools is authorized by the Board of Education to close public schools in case of severe weather. The Superintendent or his designee will notify local news media.**

**A decision to close school is made when forecasts by the weather service and local weather conditions indicate it would be unwise/unsafe for children to go to school.**

**If extreme weather causes the cancellation of school, that news will be released through Chadron radio stations (KCSR AM 610 and KQSK 97.5 FM) as well as on Hay Springs Schools Facebook page, [www.hshawks.com](http://www.hshawks.com), [www.chadrad.com](http://www.chadrad.com), Infinite Campus and through the Remind101 messaging system-generally by 6:30 a.m.**

**Please listen to the radio or check one of the other options if cancellation seems likely and remember that if Hay Springs Public Schools are closed this means HSECP also.**

**If school is canceled during the day, parents will be notified.**

Parents may decide to keep their children at home in inclement weather because of personal circumstances. Students absent because of severe weather when school is in session will be marked absent. The absence will be treated like any other absence for legitimate causes provided parents properly notify the school of their decision. Parents may pick up their children in inclement weather at any time during the school day. Students may be dismissed from school during severe weather with a telephone or personal request from the parent at the office.

## **Appropriate Clothing for School**

**The children will go outside every day for 30 minutes, please dress them accordingly—providing gloves, hats, boots, snow pants, and coats when necessary.**

**The extra set of clothing provided by each family will be used in the event of a blood accident, toilet accident, or any other accident. Soiled clothes will be bagged and sent home and a notification will be sent to the primary caregiver. Please send a clean set of extra clothes as soon as possible if this happens.**

**HSECP is not responsible for replacing damaged clothing.**

It is important to dress your child appropriately for school and for existing weather conditions. Please label these items before sending them to school. Remember that the weather can change quickly. Additional socks and shoes are a good idea for wet and snowy weather.

The children will engage in messy activities such as cooking, painting, playing in the sand and water, so it is important they are dressed in clothing which allows them to participate in these activities. Children will wear paint shirts when participating in messy activities, but accidents do happen.

## **Newsletters**

The preschool teacher uses Remind101 to communicate with parents about activities and upcoming events, important dates, book orders and other reminders. A weekly classroom newsletter will be sent home on Thursday each week. The school newsletter is posted on the website, [www.hshawks.com](http://www.hshawks.com).

**Please be sure to check your child's backpack every day!**

## **Confidentiality**

**Information concerning your child or family will not be shared with un-authorized persons without written permission by you. If you suspect that information has been shared with un-authorized persons please contact the Hay Springs Public School Early Childhood Director.**

## **Complaint Procedures**

**Please follow the chain of command.**

**Step 1:** Have a scheduled conference with the staff person involved in the complaint matter.

**Step 2:** Have a scheduled conference with the staff person and Early Childhood Director.

**Step 3:** Appeal to the Superintendent if the matter is still unresolved.
