Start of 2nd Semester

Happy New Year!

I hope 2024 treats everyone well!! As we start the second semester I would like to share how we approach adjusting the calendar when we have severe weather.

When an impending winter weather system is approaching, I utilize multiple information services to gain as much information as possible. I consult the Weather Channel, the National Weather Service out of North Platte, Cheyenne and Rapid City. The office will also talk with the Nebraska Dept of Roads, other school districts and members of our staff who live in different parts of the county.

Student and Staff safety is the utmost importance and that is what I am considering when we have severe weather situations. Our school district will often have weather differences within a short distance which can make decisions difficult.

One of my philosophies is to get the information out to our parents and staff as soon as possible. I often will call for a shortened day or snow day the evening before the weather event and that is to allow families to plan for transportation or child care. Making an early call is not always accurate but we do the best we can with the information we have at the time.

In any weather related situation, the school will fully support the family's

decision to not send their student(s) if the weather in their area is impassible or dangerous. All we ask is if you can call the office to let us know your child(ren) will not be attending.

Please make sure your student(s) are prepared with appropriate winter clothing. Even walking out to the bus or your car can be very uncomfortable in those extreme wind chills. If you are aware of any students who need winter clothing, please let the school know so we can assist those situations.

We appreciate all of the support we receive here at the school. If you have any questions or concerns please feel free to contact me at your convenience. Have a great start to the year and stay warm!

The Scoop with Mrs. Digmann

By Ms. Digmann

Welcome Back! Two weeks is a long time to be out of school. I hope you all had time to rest and enjoy time with friends and family. It has been so nice to see all the students back and ready to learn, despite the freezing temperatures.

The school is filled with excitement as we are in full swing with winter sports. There have and still are multiple opportunities to see our Hawks in action. One of my administrative philosophies is to make it to as many student activities as possible. I have enjoyed watching varsity boys and girls basketball, varsity boys and girls wrestling, junior high girls wrestling and speech. I just need to catch a junior high basketball game and I have made it to at least one of each activity. It seems our winter sports are doing just as well as our fall sports did. We also just had our all school assembly for Quarter 2 and handed out 14 high school superpasses and 13 junior high superpasses. The criteria to earn these is no technology discipline, no office referrals, never being on the ineligible list, and 2 or fewer tardies (1 or fewer for junior high). I am so impressed with the number of students who met all 4 criteria. Also, the junior high had zero technology discipline! We also had 77 (38%) students on the honor roll for the 2nd quarter. Our Hawks are also excelling in the classroom. I love getting the opportunity to celebrate these achievements.

Winter MAPS and NSCAS testing will take place the week of February 12. Students in kindergarten through tenth grade will be taking reading/ELA and math tests. This assessment is to see how students are doing mid-year.

Parent/Teacher conferences are just around the corner. HSPS will hold parent/teacher

conferences on February 1, 2024. We hope to see you all there. Elementary teachers are working on the schedule and will be getting that schedule out soon.

Just a reminder that HSPS has posted a handicap sign between Lister and the cafeteria to help better accommodate our families in need. Please do not park in this space during pick up and drop off times so it is available for those who need the space.

It has been a great first semester and I have loved getting to know the students and the families in Hay Springs. You have wonderful children and I thank you for sharing them with us each day! Here's to hoping 2nd semester is filled with great success,

Mrs. Digmann

Home of the Hawks!!

Hay Springs Hawks Boys Basketball Update

By Coach Badje

23-24 has been an exciting year for the Hawks. After an incredible football run to the state championships, we had a whopping 3 practices before our first contest. The boys kept up the incredible run by starting off the basketball season 11-0. Then there is now... Finding ourselves in a mid-season slump with some close losses to teams we had beaten previously. But have no fear, the boys are built for this and will show their grit as we respond to this adversity and work it out on the practice floor and come out better for it.

We have the largest roster of boys since I've been here. They are all a great bunch; hard working, and coachable and have a good comradery. 5 seniors atop the list with a great class of Juniors, who have had significant floor time. The crop of underclassmen seems promising too. A lot of them are in the gym on weekends and off hours, so we should be looking forward to much to cheer about for years to come.

Thanks for all the community support. Please keep it up and in turn if you get a chance, give them an ata-boy when you see them in town.

Hawks Girls Basketball Team Update

By Coach Kudrna

The Hay Springs Varsity Girls Basketball team is having a very successful season so far this year! The girls took first place in the Holiday Tournament held at Sioux County just before Christmas break. This past weekend the Lady Hawks won the Panhandle Conference Tournament for the second year in a row! Currently, the varsity girls have a 12-4 record as they head into the last five games of their regular season. Hopefully the girls will continue to improve, so they will be playing their best as we enter sub-districts. These young ladies should be proud of their accomplishments!

eSports Winter Season Wrap-up

By Coach Reimann

ESPORTS

The Hay Springs eSports Winter Season is coming to a close as I write this. Later today Mario Kart Team 1 will be playing our 3rd round of playoffs. This game will determine if we make it to state competition! Be sure to keep an eye open for how the team did! The eSports Winter Season started the last week of November, just after the finish of the Fall Season. We ended up with three teams for the Winter Season playing two different games. Our Mario Kart Team 1 consisted of Taden Tobiasson, Tanner Tobiasson, Abigail Nelson and Cooper Krotz. We had Larry Nelson, Lillian Dorshorst, Preston Kelly, and Westin Boles forming our Mario Kart Team 2. Both of these teams played extremely well this season with lots of improvement being shown. Team 1 en-

tered the Playoff bracket ranked #3 out of 32 schools in the state and Team 2 was ranked #18. Unfortunately, Team 2 fell to #2 ranked Hemingford in the second round of playoffs. As previously mentioned, Team 1 will be taking on #6 ranked Arcadia later this afternoon. Our third team was an Overwatch 2 team that consisted of Taden Tobiasson, Larry Nelson, Dakota Wesley, Chase Brunsch, and Dustin Brien. This was our first year doing Overwatch 2 in eSports and while all of the players had experience playing the game, this was really the first time they had played together as a team. Things started out a little rough, but we did make some improvements and won several games. However, our first playoff game was against #9 ranked Paxton while we were ranked #8 out of 14 teams. It was a very close game and was a bit of a heartbreaker for us, but in the end, we couldn't quite beat Paxton.

News from the Cafeteria

by Ms. Leander

Hello from the lunchroom! With the cold of January, we are happy to warm everyone up with a wide variety of lunch entrees. If our students would prefer one of our alternates, we offer Chef Salads every day, a PBJ on Mondays and Wednesdays, or a Deli Sandwich on Tuesdays and Thursdays. These alternates only replace the main component of the meal, so your children can still enjoy all the sides we offer. For example, if we are serving chicken tenders, fries, and corn, they can get an alternate salad and still enjoy the corn and fries!

On February 22nd, we will be serving our 100th Day Breakfast that consists of a sausage link and two pancakes to celebrate our 100th day of school! This will be the breakfast choice from 7:30-8am for middle and high school and then after 8am, it will be enjoyed by the entire elementary school!

Help us keep track of your children's dietary needs. If your student is allergic to certain foods or is medically required to stay within a certain diet, we need to know. Log onto the school website at hshawks.com, click "school", "school information", and then scroll down to the "helpful information" section of the page to get to the two forms. You can then print and fill out either the Medical Statement for Meal Accommodation Form (which needs to be filled out by a doctor) or the Request for Meal Accommodation Form for things like allergies that we have to watch for. Help us keep your children safe!

As always, please keep your children's EZPay accounts in the positive. You can even set a reminder at any dollar value to alert you when you go below a certain amount.

Thank you and see you in the Lunchroom!

PBIS ~ Quarter Assembly

By Ms. Garrett

At the assembly we recognized the Student of the 2nd Quarter, Ava McKillip, 2-12 Honor Roll students, Staff Shout-outs to Mrs. Strotheide & Ms. Rasmussen for being the first teachers to respond to the SOAR email, and High School and Middle School Super Passes.

During the month of January, we focused on Showing Pride throughout our school. In February, we will be focusing on Owning It.

Student of the 2nd Quarter

We would like to take this time to thank our sponsors of the Student of the Quarter: **Security First Bank, Hay Springs Lumber, Farm to Family Cooperative, Shear Style, Outlaw Saloon, Main Street Grind, Cutting Edge, Sacker's & the Patio.**

To nominate a student of the quarter click the link on the school's website at www.hs.hawks.com

Wrestling Mid-Season

By Coach McCance

JUNIOR HIGH

This year Hay Springs added wrestling for the Junior High girls. There are two girls out, Sawyer Davis and Marisa Milliken. We had our first tournament last Friday in Hemingford. Both girls wrestled very well for never doing it before. Marisa came away with a win and placed 2nd. There is still time to join this sport, just come to practice after school and talk to coach McCance.

HIGH SCHOOL GIRLS

This season there are three Ladies out for wrestling, Abby Nelson, Hayden Boles and Brooke Winter. It has been a very busy year for the girls with adding 5 new girl only tournaments along with 5 regular tournaments we attended last year. We also added two dual meets. Abby and Brooke are new to the sport and have come a long way in learning the rules and moves of the sport. They show great improvement.

Hayden is the veteran of the team, if that can be said, with only one year experience. But her little experience does not affect her talent. She is currently one of the top wrestlers in our district. Sub-districts will be a real test for our girls with teams from Omaha North and Conestoga bringing some real talent to the tournament. I'm sure the girls are up for the challenge and are working hard for a trip to Omaha in February.

HIGH SCHOOL BOYS

There are no new faces in the wrestling room this year except the ones who are seasoned and hardened warriors. Leading the team is last year state qualifier

Senior Jarhett Anderson. Jarhett is wrestling at 113 where he is finding great success and is a sure bet to return to Omaha. The rest of the team is made up of all sophomores. Parker Wellnitz was one match from qualifying for state last year. He is showing great potential this year to finish the unfinished business from last year. Next, is Mason Albrecht. He has found success on the mat this year and is a real asset in the practice room. Our 157 pounder is Luis Mata. He is a very strong wrestler who can be a real "dream wrecker" come districts. The big guy on the team is Dakota Wesley, he is a very talented wrestler with a lot of potential.

Elementary Corner

Featuring Kindergarten and 5th Grade

Kindergarten has been working really hard with reading, writing, and math! The kids are writing to 100 every morning and starting to write stories with their spelling words every Ms. Meeks is so proud of her students!

In fifth grade, we are participating in a program with the Nebraska Game and Parks to raise trout and then release them at Chadron State Park. We are anxiously awaiting our trout eggs. They were delayed because of the snow and cold weather. They should arrive at the end of this week. We have our tank set up and have been testing the water to make sure the PH, nitrite, and ammonia levels are safe for the trout. This semester we will dissect trout, learn about the life cycle of trout, what a trout needs to survive, and their habitats. We will go to Chadron State Park in April and release our trout. We are excited to become fish farmers!

COUNSELING OFFICE

NEWSLETTER

Student Highlights:

Congratulations to **Gabrielle Twarling!** After completing an application and interview, Gabby was selected to receive one of five Nursing positions in the Rural Health Opportunities Program (RHOP) at Chadron State College. She will receive a full tuition scholarship to CSC, as well as early acceptance to the University of Nebraska Medical Center. Gabby will spend two years at CSC, then go on to nursing school at UNMC. We are so proud of you Gabby!

College and Career News:

The Sophomore class participated in the first annual Career Connections of Western Nebraska event in Chadron. Students were able to meet with employers in their fields of interest where they learned firsthand about the types of jobs available, the work environment, and the requirements needed to secure a job and be successful as an employee.

Important Dates:

Request for Meal Accommodation

This form may be used to request meal modifications for students who have a physical or medical impairment and participate in the National School Lunch & School Breakfast Programs. The district will work collaboratively with parents to ensure equal opportunity to participate in the School Meal Programs and receive program benefits. However, if the district is unable to accommodate your student's request within the meal pattern requirements; a *Medical Statement* completed by a State licensed Medical Professional will be needed (SP 59-2016).

Parent/Guardian:

Completing the *Request for Meal Accommodation* form helps the school provide meal modifications within the meal pattern requirements for students with a mental or physical impairment. Your participation in this process is very important and communication with the school team allows for advanced planning and preparation needed to provide the accommodation. The district is not required to provide a specific substitution (such as a particular brand name), but offer a reasonable modification that effectively accommodates your child's needs.
